VIVEK SONKAR

Frontend Web Developer & Seo Specialist

PROFESSIONAL PROFILE

I'm a passionate Web Developer and SEO Specialist skilled in HTML, CSS, JavaScript, Bootstrap, Tailwind CSS, WordPress, PHP, and React. I build responsive, dynamic websites that deliver seamless user experiences and are optimized for strong search engine performance.

With a focus on clean code, scalable solutions, and SEO best practices, I'm constantly learning and evolving to stay ahead of web and SEO trends, ensuring every project is both creative and effective.

With a continuous learning mindset, I stay updated with the latest web development trends and SEO best practices.
